ALLERGENS

Gluten, milk

Please read the full method before starting to cook. Every effort has been made to make this process as simple as possible but a little foresight in the recipe will help you achieve the best results.

Ensure that, where relevant, your oven is preheated to the correct temperature before you begin.

- Pre-heat the oven to: 180°C (fan) / 200°C (no fan) / Gas Mark 6
- The Tarte Tatin is great either warm or cold, should you prefer it warm, simply slip it in the pre-heated oven for about 12 minutes.
- Enjoy with Cream, Crème Fraîche or good vanilla ice cream.
